VIFD meets in the back room

COST \$2 PER PERSON

Jo Soto , Bruce Bostwick, and others will present a program which will feature many countries. Dance has been a part of village life and the passing of the seasons for thousands of years. Modern choreographers have built on these age-old rituals and added modern innovations resulting in a blend of harmony and history that is rooted in the ancient dances, which has led to international recreational folk dance.

You do not need dance experience or a partner to come!
